Summer Reading Program for Teens

Join us for the 2018 Summer Reading Program, Libraries Rock! The Summer Reading Program is also an opportunity to join in the summer fun, earn prizes and participate in great programs! The rules are simple: register, read, and have fun! The more you read the more chances you have to win! There are lots of great activities for teens this summer! Check our calendar and our Facebook page for all of our summer activities for teens. Signup is now taking place.

SUMMER PROGRAMS FOR TEENS & TWEENS

Musical Minute to Win It

Teens will compete in six fun mini-competitions to win prizes. Prizes will be awarded to the top two winners.

Online registration now taking place.

Dates: Thursday, July 12 Time: 7:00 pm

Introduction to GarageBand

GarageBand is a whole music creation studio right inside your computer. In this hands-on class, you will learn how to play, record, and create music using the program's included software instruments, presets for guitar and voice, and virtual drums. Get ready to rock!

Online registration now taking place

Dates: Thursday, July 26 & August 2 Time: 6:30 pm

EntreLeadership: Teen Edition

Whether it's making slime, mowing lawns, or babysitting, participants will learn how to turn their ideas into a real business. Plus spin the Financial Wheel to win prizes! **Online registration now taking place.**

Date: Thursday, August 9 Time: 4:00 pm

CoolScience with Wondergy

CoolScience is an exciting (and often explosive) exploration of the tiny particles that make up everything we touch: molecules. When they have energy, they move around – sometimes dramatically! Find out what can happen with just liquid nitrogen (the coolest stuff around), balloons, teakettles, a little water, and a carpet!

Online registration now taking place.

Date: Wednesday, August 15th Time: 7:00 pm

Physics Bus

Hop on board for an awesome mobile exhibition that showcases unfamiliar physics phenomena.

Online registration is now taking place!

Date: Thursday, July 10th Time: 5:00 - 8:00 pm
